ArtKaroo houses authentic Karoo fine art. The gallery is housed in a beautifully renovated sandstone cottage, typical of the area.

ArtKaroo was conceived by a group of local artists and thrives on their sense of ownership and participation. Fortunate in its association with established artists whose work is displayed around the world, the gallery nurtures and supports young artists, emerging artists, and is always searching for new local talent.

Guests, friends, fellow artists, are invited to experience the warm ambience and hospitality ArtKaroo offers. Open 7 days a week until late.
